BUILDING A BETTER TOMORROW TOGETHER

Community Initiatives

Legrand Empowering Scholarship Program

Started in 2018, this initiative supports meritorious girl students from lower socio-economic backgrounds in Engineering, Architecture, Science, and Technology. To date, over 600 students have been enrolled, including 54 differently-abled and 20 LGBTQ+ students. Annually, more than 100 new scholarships are awarded. Additionally, each year, 100 students receive mentorship assistance from Legrand Subject Matter Experts.

Legrand Telemedicine Center

Through our 3 centres located in Jalgaon, Haridwar, and Rohad, we offer free consultations, tests, and medicines in partnership with Apollo Hospitals. This initiative benefits over 10,000 community members annually and has positively impacted more than 55,000 lives to date.

Center of Excellence - Dehradun & Bangalore

The centers at ITI Niranjapur, Dehradun & Bangalore aim to provide advanced training in electrical & UPS systems. These centers focus on enhancing students' skills and improving their job opportunities.

Beach Clean-Up

Legrand adopted four beaches in Mumbai. This initiative aims to remove plastic waste and recycle it. Since September 2023, through the collective efforts of over 4000 volunteers, more than 45,000 kg of plastic has been collected and recycled into ten benches which were further donated to public spaces and schools.

Lake Restoration

Legrand restored a 2-hectare lake in Kumhera Village, Ghaziabad, by removing plastic waste and improving water quality and levels. This transformation has benefited over 5,000 individuals, fostered the return of diverse aquatic species, and provided a sanctuary for various bird species. Beyond ecological rejuvenation, the initiative has generated livelihood opportunities for local communities.
